\* Actual transfer speed may vary based on your operating system and software configuration.

\* Rechargeable batteries have a limited number of charge cycles and may eventually need to be replaced. Battery life and number of charge cycles vary by use and settings.

\* Storage capacity based on 4 minutes per song and 64 kbps WMA or 128 kbps MP3 encoding.

\* 1 GB = 1 billion bytes; available storage capacity will be less.

\* Optional versions with or without radio are available
